Alan Walter, the founder of Knowledgeism, was quite sharing and generous with his amazing knowledge when he was alive and ran ACLC (the Ranch) as well as the knowledgeism.com website. He was put a great deal of information on the Internet for free use both on his old website and on other internet forums. Here are links to some of this valuable information that he developed and wrote about. He wrote many books which are for sale on the current Knowledgeism.com website.
