

*“We are not human beings having a spiritual experience.
We are Spiritual Beings having a human experience.”

**The Exact Spiritual Pathway from
Disintegration, Poverty and Sadness
to
Wholeness, Prosperity and Happiness**
**and
the Destructive Barrier and Consequences
of
“An Episode of Abuse”**

As you travel along life’s pathways, you can either travel it in *disintegration, poverty and sadness* or you can travel it in *wholeness, prosperity and happiness*.

To travel it in *wholeness, prosperity and happiness* requires a great deal of work and dedication, plus the ability to fully handle “*Episodes of Abuse*.”

“*Abuse Episodes*” are in themselves very destructive events.

The ABUSER’S intentions are: *To disintegrate, to destructively control, to take over and dominate, to subjugate, to make wrong, to destroy, to prevent the working of, to upset, and to stop, in order to dismantle the spiritual, mental or physical operating machinery and psychic power and communication lines of you, the being.*

The ABUSER implements this by: *Negatively processing you by creating and utilizing an “Abuse Episode” to introduce and force into your time and space something you do not WANT — “An Alien Unwanted Want or Object.”*

The end product of the ABUSE is: *The disempowerment and disintegration of your spiritual machinery, your mind and mental machinery and the physical machinery of your body, causing you to lose your spiritual, mental and physical universe psychic communication lines, collapsing you into failure, poverty and deep sadness or unreality of you the spirit, your mind, your body and your psychic communication lines.*

THE “ABUSE EPISODE”

When an “*Abuse Episode*” takes place any number of life or case damaging phenomena can occur.

Therefore it is vital that the processor is well aware of what processing action to do and when to do that action.

It is not enough just to handle the “*Abuse Episode*” you must also restore all 29 levels of operation, all the way back to a fully recovered “Own Universe Ascension State.”

AS THE BEING TRANSCENDS EACH STEP UPWARD, THERE IS A FURTHER REGAINING AND ENHANCEMENT OF THE BEING’S POWER, STRENGTH, CLEVERNESS, SKILL AND ABILITY.

THE 29 VITAL UPWARD STEPS OF TIME AND LIFE SEQUENCES LEADING THROUGH THE HANDLING OF THE ABUSE EPISODE PHENOMENA AND ABOVE

The most extreme level is denial; doesn’t know they do not know. They are so continuously UPSET, overwhelmed and in such pain, that they cannot even face up to the fact something is very wrong in an area.

The most common way a Being handles UPSETS is by denial, and to engage in the tacit sabotage action of burying themselves amongst those who are playing the same game at the same degree of UPSET as the Beings who are into the same tacit denials. “Birds of a feather flocking together” phenomena.

For a client to want to get something handled, they must have something they know they really want to get handled.

Handling the UPSETS and extreme bad chronic condition or low level of existence is not complete until ALL 29 steps are fully restored.

Therefore, the first step is profiling the client. This will bring to view the following 17 steps which have as their source, extreme UPSETS:

1. AN EXTREME BAD CONDITION OR LOW LEVEL OF EXISTENCE.

This is a low Red Zone level of existence. It includes poverty, bankruptcy, depression, personal dishonesty, no self worth, low self esteem, broken-hearts, immobility, terror, failure, etc., etc.

Behind this sits the following:

2. AN AREA OF BLACKNESS. (*Red Zone, level of existence Absence.*)

Contains heavy areas of fear of pain, abuse, dishonesty, false answers and terror of being wrong or being made wrong.

3. AN AREA OF STUPIDITY. (*Red Zone, level of existence Chaos.*)

Contains heavy areas of *abusive* false and wrong answers that are locked in painful abusive episodes of teaching, training or educational life incidents. These false or wrong answers have been forced to be believed due to the threat of *punishment* or *abuse* if you “*do not know what you are studying*” by *abusive* authorities, teachers or parents.

4. AN AREA OF CONFUSION. (*Red Zone, level of existence Chaos.*)

Contains recognition of *abusive* dishonesties of self and others, plus recognition of areas of having engaged in producing abusive wrongnesses, falseness and betrayals of trust, without knowing how to correct and atone for the *abusiveness* and the damage created by that *abuse*.

5. STUCK IN A SHOCK. (*Red Zone, level of existence Absence.*)

Areas of shock and the technology of handling are covered in earlier bulletins and tapes.

6. STUCK IN A HUGE UPSET. (*Red Zone, all levels.*)

An upset comes in many forms, but an upset is primarily a form of “*electronic spiritual explosion or implosion.*” As an explosion, it disintegrates the being and its creations, driving the being out and away from the area they are occupying. (*The Being cannot get back into the area.*) As an implosion, the being and its creations disintegrate and the area collapses over the being and buries it under the rubble of its former creations. (*The Being is completely disintegrated, trapped and submerged in the area.*)

7. OPERATING ON A HUGE NEGATIVE PROGRAM. (*Red Zone, all levels.*)

The Being has decided that people and life are evil and bad. All education is perverted into a negative experience. The Being superimposes negative precepts and pictures over people, places, subjects and things.

8. HAS EVERYONE AS THEIR ENEMY. (*Psychic warfare, Red Zone, all levels.*)

In this state people are not interested in truth or effectiveness, they are dedicated to finding someone to blame for their condition or level of existence

It is from this point upward, from 8 to 1, that your client is constantly in the Red Zone. They are being created as a chronic losing negative identity constantly getting and giving UNWANTED WANTS.

9. IS BURIED IN PAIN AND UNPLEASANT SENSATIONS. (*Low Yellow and Red Zone, all levels.*)

Fear is the predominant emotion and attitude of this state of being. This shows up as an immobilizing, overwhelming fear of success, prosperity, work, winning, cold calling, prospecting, leadership and people handling reluctances.

10. AN ABUSIVE EPISODE. (*You were given what you did not want, or something happened you did not want, producing “an Alien UNWANTED WANT or OBJECT.” Red Zone, all levels.*)

At this point life begins to become a grim ordeal and is filled with tedium. Your client begins to lose big time at the games of life.

11. KARMIC TELEPATHIC SELECTION OF AN ABUSER OR GANG OF ABUSERS TO PUNISH THEMSELVES. (*Yellow or Red Zone levels of existence.*)

By instigating self-determined changes, the being is compulsively attracted to AN ABUSER or ABUSIVE situation.

This is the point the Being gives up control of their own universe and goes on someone else’s time trail, someone else’s space, someone else’s energy or money, someone else’s objects.

The Being has failed at being ethical, and believes they do not deserve to own their “own universe.” The only answer is to give up control and be punished by *An Abuser* for failing and betrayal.

This is how the law of KARMA comes into being.

The law of KARMA is the universal spiritual ETHICS and JUSTICE self-enforced and self-disciplined, SYSTEM of PRINCIPLES having been created and AGREED UPON by and for spiritual beings to be able to maintain an HONOR based ETHICS and JUSTICE SYSTEM.

This spiritual ETHICS and JUSTICE SYSTEM demands that you, the being, will utilize your psychic powers to fully penalize or punish yourself when you have violated your own Basic Goodness, Codes, Principles, Virtues and Integrity.

Or:

You will fully utilize your psychic powers to fully reward and enhance yourself when you have honored your Basic Goodness, Honesty, Codes, Principles, Virtues and Integrity.

12. THE HIDDEN FURIES, PERSONAL TURMOIL, PANIC AND CONFUSION.

(Yellow or Red Zone levels of existence.)

The Being is devastated and furious at itself for having further violated his Codes, Virtues, Principles and Integrity.

The Being now generates even more enormous feelings of guilt, fear of being found out, worry, nervousness, loss of self respect, lack of self worth and betrayal.

By committing continuous harmful acts and having secrets from those who have trusted them, they then realize that they have betrayed the trust of their friends, partners and family.

The Being is desperate to solve and escape from these turmoils, guilts and feelings of having betrayed those who have trusted or loved them.

To solve and handle their furies, conflicts, turmoil, guilt, etc., the Being decides to do something to stop themselves from violating their Codes, Virtues, Principles, and Integrity by creating self-determined changes in their life.

Such self-determined changes as:

To go on a diet.

To change jobs.

To end a relationship.

To get married.

To get divorced.

To join a religious group.

To become a nun.

To sell.

To buy.

To invest.

To go bankrupt.

To move to another country.

Etc., Etc.

All self determined changes are preceded by the furies, turmoil, confusion, senses of guilt, feelings of betrayal, violations of trust.

13. KEPT HIDDEN THEIR HARMFUL ACTS. (*Yellow or Red Zone levels of existence.*)

14. FAILURE, INCOMPETENCE, PRODUCING HARMFUL OR NO PRODUCTS, NO WANTS. (*Yellow or Red Zone levels of existence.*)

15. COMMITS HARMFUL ACTS THAT VIOLATE THEIR CODES, PRINCIPLES AND INTEGRITY. (*Yellow or Red Zone levels of existence.*)

16. PRETENSE, PRETENDING TO KNOW. (*Yellow or Red Zone levels of existence.*)

17A. MASSIVE HATE, SHOCK, EXPLOSION/IMPLOSION and SPLIT FROM HIGHER SELF.

The Being is devastated and furious at itself for having violated his Codes, Virtues, Principles and Integrity. Huge amounts of self-hatred, hatred of others and hatred of things.

The Being is completely knocked out of position.

Steps 29 to 15 collapse into each other.

The Being's universes, mind, body and environment go into an overwhelming take-over of the Being.

The Being DOES NOT WANT TO KNOW, consequently area goes invisible or out of reach or out of contact.

This brings into being a BLACK CORE INCIDENT.

It is from this point, 17 backwards to 1 that will cause your client to begin to fail at the games of life.

17. COLLIDES WITH AREAS OF NON-COMPREHENSION, LACK OF TRUTH, KNOWLEDGE, TECHNOLOGY, SKILL OR ABILITY. (*Yellow Zone level of existence*)

The client goes into a violation of itself and their Five Pillars of Power.

This is the most vital point in TIME and SPACE. It is where your client can either succeed or fail.

Your client's future HARMONY, PROSPERITY, SUCCESS and HAPPINESS depends entirely on whether he is fully ROLE EDUCATED on THE TECHNOLOGY of HOW to ATTAIN and MAINTAIN HARMONY, PROSPERITY, SUCCESS and HAPPINESS.

Over the forty years in this field, spanning an excess of 500,000 people, I've found the most omitted training step on all people is: How to Attain and Handle PROSPERITY.

If a client or student has been disintegrated by an ABUSER and has been created as a loser or failure, it does not matter how well you educate, train or process them, unless you handle and erase the precepts, upsets, problems, solutions, blacknesses, stupidities, confusions, identities, force, charge, and masses that were accumulated while in their ABUSED state.

If you educate, process and train over the top of these continuously persisting precepts, upsets, problems, solutions, blacknesses, stupidities, confusions, identities, force, charge and masses that were accumulated while in their ABUSED state, they will continue to involuntarily, compulsively create losing and failing life situations, on the edge of, or deeply in POVERTY AND SADNESS.

- 18. LIFE GOING FAIRLY WELL, OCCASIONAL ATTAINMENT OF WANTS. (*Low Green or Yellow Zone levels of existence.*)**

- 19. LIFE GOING GREAT, CONSISTENT ATTAINMENT OF YOUR AND OTHERS' WANTS. (*High Green Zone levels of existence.*)**

- 20. IN ACTION, IN THE PHYSICAL UNIVERSE, FOLLOWING THE HOLOGRAPHIC, IMAGED MASTER PLAN. (*High Green Zone.*)**

- 21. CREATES A MASTERFUL WINNING IDENTITY. (*High Green Zone.*)**

- 22. CREATES A FULL HOLOGRAPHIC, IMAGED MASTER PLAN. (*High Green Zone.*)**

- 23. CHOOSES CLEVERLY, IN ALIGNMENT WITH THEIR CODES, TO SPIRITUALLY PLAY THE EXACT RIGHT SPIRITUAL GAME TO PRODUCE WHAT IS REALLY WANTED. (*High Green Zone.*)**

- 24. KNOW WITH FULL HOLOGRAPHIC IMAGERY WHAT THEY AND OTHERS REALLY WANT. (*High Green Zone.*)**

- 25. HAS A HUGE HOLOGRAPHIC DREAM THAT MASSIVELY DOES THE GREATEST GOOD FOR THE GREATEST NUMBER, ABUNDANTLY GIVING AND PRODUCING WHAT ARE THE TRUE HOLOGRAPHIC WANTS. (*High Green Zone.*)**

The Being's dreams, intentions, goals or purposes act as the being's WILL POWER, and are the most basic power source and directional focus of spiritual forces and psychic powers of the Spiritual Being, in order to fully attain the HOLOGRAPHIC WANTS.

26. HOLOGRAPHICALLY CREATED WANT. (*Gold Zone.*)

The holographic WANT stems from the truth, knowledge and love obtained as a result of having applied full spiritual permeation into what needs to be accurately perceived in an optimum or non-optimum area.

This area has been holographically permeated and perceived in its entirety of its energy, matter, space, time, mood, form, condition, level of existence, its operating responsibilities and consequences.

The WANT is what is needed to upgrade or destroy the non-optimum area.

The WANT creates the desire, drive and intention to have a game.

The WANT creates the outline and basic creation of the SET UP.

Anything that impedes, slows, misdirects, prevents or stops the attainment of the wants, dreams, intentions, goals or purposes of the Spiritual Being robs the Being of power, direction and focus, thus robbing the Being of its chances of fully attaining those wants, dreams, intentions, goals or purposes.

Rehabilitation of a Spiritual Being's wants, dreams, intentions, goals, purposes and set ups are the MOST VITAL PROCESSING ACTIONS you can implement towards fully handling the being's case, plus restoring the Being's Codes, Virtues, Principles and Integrity.

27. AN OPTIMUM OR NON-OPTIMUM AREA, SUBJECT, THING, OBJECT, PLACE OR PERSON THAT NEEDS TO BE SPIRITUALLY FULLY PERMEATED AND PERCEIVED. (*All Zones.*)

All WANTS are discovered and holographically created at this step.

28. HAS THE ABILITY TO FULLY PERMEATE, PERCEIVE, CREATE AND OPERATE CORRECTLY, ACCURATELY AND EFFECTIVELY IN A HIGH STABLE ASCENDED SPIRITUAL STATE. (*Gold Zone.*)

29. CONSTANTLY FULLY PRESENT. (*All Zones.*)

MAINTAINING WHOLENESS, HARMONY, SET UPS, SUCCESS, PROSPERITY AND HAPPINESS

To attain and maintain *wholeness, harmony, set ups, success, prosperity and happiness* requires a huge amount of knowledge, truth, awareness, skill, cleverness, power, strength, training, processing, and discipline.

A vital ability needed is: *The willingness for you or your client to handle and erase their UPSETS, restore their SET UPS and help others attain their true WANTS.*

This sequence of events from 29 to 1 can span hours or the sequence can span eons. It takes as long as it takes.

Once the Being's BLACK CORE INCIDENTS, VACUUMS, ASCENSION/ABUSER/ABUSE ADDICTIONS, UPSETS are handled and the SET UPS are restored, the Being operates from step 29 to step 19. This allows the Being to live a continuous Green Zone Truth Phenomena existence.
