

## **INDICATORS OF INVOLUNTARY REPLICATIONS AND VOLUNTARY CREATIONS**

### **INDICATORS THAT SPOT WHETHER YOU OR YOUR CLIENT HAVE ACTIVATED INAPPROPRIATE INVOLUNTARY REPLICATIONS**

An Ascension Experience causes you to soar to the Heavens, or thereabouts, you become huge, and you are in contact with your higher selves. The deadliness of this is if you lose this state you will experience plunging through layers of lesser universes, lower beingnesses, and smaller games until you descend to a very low level. Anyone who has experienced belonging to a highly motivated, very aware team and has lost their position with the team goes through this cycle.

We call this the **“Crash and Burn Syndrome.”**

It can make one very wary of ever going near ascendancy type games again.

This is the major involuntary replication indicator. Other indicators are:

1. Is playing a small game.
2. Low mood level; not happy.
3. Life not going right.
4. Financial problems.
5. Inactivity.
6. Compulsive behavior.
7. Life not fun.
8. Little laughter in your life.
9. Not having realizations in life or sessions.
10. Negative attitudes and comments about friends, co-workers, executives and bosses.
11. In the wrong place, job, or career.
12. Feeling overwhelmed with problems.
13. Feeling sick or ill.
14. Lack of energy.
15. Lack of life.

16. Procrastination.
17. Can't handle time.
18. Low interest in life (only watches TV, reads fiction, etc.)
19. Majority of spare time spent on non-productive or destructive activities.
