

AREAS OF NON-PERMEATION HANDLING

Step One: *Assess the following:*

- a. **Locate an area of non-permeation.**
- b. **Name it.**
- c. **Describe the area of non-permeation.**

Then assess:

1. **Is this (area of non-permeation) yours?** _____
2. **Is this (area of non-permeation) a spiritual teammate's?** _____
3. **Is this (area of non-permeation) a group of spiritual teammate's?** _____
4. **Is this (area of non-permeation) an outside force?** _____
5. **Is this (area of non-permeation) a hidden who's?** _____
6. **Is this (area of non-permeation) a who's?** _____

Step Two: *Take area 1 - 6 found and then assess:*

Does the (item found) have an area of: (*i.e. Does the outside force have an area of pain?*)

1. **Pain** _____
2. **Unpleasant Sensations** _____
3. **Dishonesty** _____
4. **Misownership** _____
5. **Subject illiteracy** _____

Do appropriate handling.

1. **Is there an area of non-permeation?** *If yes or there is a needle manifestation, ask:
(Note: If you have already identified the area of non-permeation, go to question 2.)*
2. **Where is the area of non-permeation?**
3. **Describe what you can about the area.**
4. **What is its size?**
5. **What is its duration?** *Find when it began and how far into the future it extends.*
6. **Find who's connected to it.**
 - a. **Are there any who's connected to this area of non-permeation?**
 - b. *Make list.*
7. *Find subjects connected to it.*
 - a. **What subjects are connected to this area of non-permeation?**
 - b. *Make list.*
8. *Check for more whos or hidden whos.*
 - a. **Are there any other whos or hidden whos?**
 - b. *Make list.*
9. *Do who and hidden who handling on all whos and hidden whos.*
10. *Do subject handling.*
11. **Are there any unpleasant sensations connected to this area of non-permeation?**
Do pain handling.
12. **Are there any masses connected to this area of non-permeation?**
Do mass handling.
13. **What unsolvable problem did the non-permeation area give you?**
Name problem.
How did you handle it?
What were the consequences?
Repeat over and over until all unsolvable problems and consequences are at Cause Indicators.

NON-RESOLVING NON-PERMEATION AREAS

You will occasionally run into a non-permeation area that is so charged, painful and full of “hit-for-no-reasons” that the client cannot undo it or get enough separation so that the client can begin to get right answers that will unlock the area.

You must bypass the client and just access this list noting the manifestations. Using the largest manifestation, handle that; then the next largest reading, etc.

1. Are there shocks?

Do shock handling.

2. Is there something you don't want to know about?

Get what and have them tell all about it.

3. Is there something you don't want anyone else to know about?

Do Kepts Handling.

4. Is there an unpleasant sensation?

Do Unpleasant Sensation Handling.

5. Were you “hit for no reason”?

Do “hit for no reason” handling.

6. Was there a subject you just couldn't comprehend?

Get the subject named and assess:

Connected to (named subject),

- a. **Are there words you couldn't comprehend?**
- b. **Are there symbols you couldn't comprehend?**
- c. **Are there precepts you made?**
- d. **Is there a who?**
- e. **Is there a hidden who?**
- f. **You didn't want to study it anyway?**
- g. **You have mastered the subject before?**
- h. **Is there a misunderstood word?**
- i. **Is there a misunderstood subject?**
- j. **Did it remind you of an earlier subject?**
- k. **Did it remind you of an earlier misunderstood word?**

- l. **Did it trigger an incident?**
- m. **Was there a (negative code)?**
- n. **Was there a (positive code)?**
- o. **Was there a skipped gradient?**

Take largest manifesting first and do appropriate handling; then the next largest, etc., until the subject is fully cleaned up.

7. **Did someone lie to you?**

Get what and who and do Life Realignment Sequence.

8. **Did you lie to someone?**

Do Kepts Handling.

9. **Was there a dishonesty?**

If the client complains about others' dishonesty always, always get the similars of their own:

Have you ever done something like that?

Do Harmful Acts Handling.

10. **Have you hit another for no reason?**

Who?

What were the consequences?

If needed, do Harmful Acts Handling.
